**CHEF DEVELOPED,
KID TESTED AND
PARENT APPROVED!**

WE MAKE FOOD FOR KIDS, NOT “KIDS” FOOD.

We are committed to make hot lunch easy and enjoyable for not only the kids, but for the parents, schools, PACs, and teachers. We label and pack everything by division in hot and cold bins.

✓ REAL FOOD MADE FRESH FROM SCRATCH

We love food! We make our own soups and sauces from scratch! Pastas imported from Italy. Ethnically diverse menu.

✓ REAL INGREDIENTS

We use real ingredients! Butter – not margarine, real cheddar cheese, fresh fruit and vegetables. We avoid processed ingredients. **With Foodie Kids, you get real quality food, with no short cuts or fillers, made with PASSION.**

✓ IN-HOUSE BAKING

Cookie doughs and dessert breads are handmade, rolled and baked fresh daily.
