

RETURN-IT INSTRUCTIONS

Thank you for participating in this community habit!

Funds raised from the return of refundable containers to Return-It depots support student government and other PAC initiatives that strengthen the school for our children. Anyone can participate, so feel free to recruit the neighbours, workmates or grandparents!

STEP 1: COLLECT REFUNDABLES

Aluminum

Plastic Bottles, Jugs

Glass Bottles

Gable Tops

Liquor Bottles (Glass & Plastic)

Drink Boxes

Collect your cleaned, empty containers into clear plastic bags. They do not have to be sorted. At www.vanhornepac.com/returnit you can find 1. A detailed list of what's accepted at the depots; 2. A how-to video that explains the process; and 3. A form to request more clear bags.

STEP 2: DROP OFF AT DEPOT (OR PARENT HUB)

Log in to the Return-It kiosk with account number **6047134965** (the school's phone number); print labels, place labels on your bags and leave with depot staff.
